Counsel to the Plan Administrator

In re:

VOYAGER DIGITAL HOLDINGS, INC., *et al.*,Debtors.¹

THE PLAN ADMINISTRATOR'S FIRST OMNIBUS OBJECTION TO CERTAIN FILED PROOFS OF CLAIM

¹ The Wind-Down Debtors in these chapter 11 cases, along with the last four digits of each Wind-Down Debtor's federal tax identification number, are: Voyager Digital Holdings, Inc. (7687); Voyager Digital Ltd. (7224); and Voyager Digital, LLC (8013). The service address for purposes of these chapter 11 cases is 27777 Franklin, Suite 2500, Southfield, MI 48034.

THIS OMNIBUS OBJECTION SEEKS TO DISALLOW OR MODIFY CERTAIN FILED PROOFS OF CLAIM. EACH PARTY RECEIVING THIS OBJECTION SHOULD LOCATE THEIR UNIQUE CLAIM IDENTIFIERS AND THEIR DISPUTED CLAIMS IDENTIFIED ON SCHEDULE 1, SCHEDULE 2, SCHEDULE 3, SCHEDULE 4, SCHEDULE 5, SCHEDULE 6 OR SCHEDULE 7 TO THE PROPOSED ORDER (DEFINED BELOW), AS APPLICABLE.

IF YOU DO NOT OPPOSE THE DISALLOWANCE OR MODIFICATION OF YOUR CLAIM, YOU DO NOT NEED TO FILE A WRITTEN RESPONSE, AND YOU DO NOT NEED TO APPEAR AT THE HEARING. IF YOU DO OPPOSE THE DISALLOWANCE OR MODIFICATION OF YOUR CLAIM, YOU MUST FILE A WRITTEN RESPONSE TO THIS OBJECTION.

IF YOUR CLAIM IS SUBJECT TO THIS OBJECTION AND THE BANKRUPTCY COURT DISALLOWS YOUR CLAIM, YOU WILL NOT BE ENTITLED TO ANY DISTRIBUTION BASED ON THE CLAIM.

Paul R. Hage, in his capacity as the plan administrator (the “Plan Administrator”) for the *Third Amended Joint Plan of Voyager Digital Holdings, Inc. and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. 1166-1] (the “Plan”) of Voyager Digital Holdings, Inc., et al. (collectively, the “Debtors” and, following the Plan’s effective date, the “Wind-Down Debtors”) files this omnibus objection (the “Objection”) pursuant to the *Order (I) Approving (A) Omnibus Claims Objection Procedures and (B) Omnibus Substantive Claims Objections and Form of Notice and (II) Waiving Bankruptcy Rule 3007(e)(6)* [Docket No. 1067] (the “Claims Objection Procedures Order”) seeking entry of an order, substantially in the form attached hereto as **Exhibit A** (the “Proposed Order”), disallowing or modifying certain filed proofs of claim. In further support, the Plan Administrator respectfully states as follows:²

REQUESTED RELIEF

1. By the Objection, the Plan Administrator seeks entry of an order, substantially in the form of the Proposed Order, disallowing or modifying, as applicable, the proofs of claim

² The Plan Administrator may file an affidavit or declaration in connection with the Objection in accordance with the Objection Procedures Order.

identified on Schedule 1, Schedule 2, Schedule 3, Schedule 4, Schedule 5, Schedule 6, and Schedule 7 to the Proposed Order (the “Disputed Claims”, and the holders of the Disputed Claims, the “Claimants”).

JURISDICTION AND VENUE

2. The United States Bankruptcy Court for the Southern District of New York (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334, the *Amended Standing Order of Reference from the United States District Court for the Southern District of New York*, entered February 1, 2012, and Article XI of the Plan. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

3. The Plan Administrator consents to the Court entering a final order in connection with the Objection to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

BACKGROUND

4. On July 5, 2022, the Debtors filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”). On March 10, 2023, the Court entered the *Corrected and Amended Order (I) Approving the Second Amended Disclosure Statement and (II) Confirming the Third Amended Joint Plan of Voyager Digital Holdings, Inc and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. 1166] confirming the Plan, which provided for the appointment of the Plan Administrator. On May 19, 2023, the effective date of the Plan occurred [Docket No. 1405], and the Plan Administrator became the sole representative of the Wind-Down Debtors’ estates.

5. On February 23, 2023, the Court entered the Claims Objection Procedures Order, approving the claim objection procedures attached thereto as Exhibit 1 (the “Objection Procedures”). The Objection Procedures permit omnibus objections to filed proofs of claim on the grounds enumerated in Bankruptcy Rule 3007(d), as well as on certain other grounds, including that a claim is inconsistent with the Debtors’ books and records, is asserted partially or fully in U.S. Dollars rather than cryptocurrency, or was filed against non-Debtors, the wrong Debtor, or against multiple Debtors.

6. In the ordinary course of their business, the Debtors maintained books and records reflecting, among other things, the nature and amount of the liabilities owed to their creditors (the “Books and Records”). The Plan Administrator, with the assistance of his professionals, has reviewed the Disputed Claims, all documents furnished by the Claimants with respect to the Disputed Claims, and the Books and Records, and has determined that each Disputed Claim must either be disallowed or modified for the reasons described below.

OBJECTION

7. A filed proof of claim is “deemed allowed, unless a party in interest . . . objects.” 11 U.S.C. § 502(a). Upon an objection, the claimant has the burden of demonstrating the validity of the claim. *See Residential Capital, LLC*, 2016 WL 796860, at *9 (S.D.N.Y. 2016); *In re Arcapita Bank B.S.C.(c)*, 2013 WL 6141616, at *1 (Bankr. S.D.N.Y. 2013), *aff’d sub nom. In re Arcapita Bank B.S.C.(c)*, 508 B.R. 814 (S.D.N.Y. 2014); *In re Oneida, Ltd.*, 400 B.R. 384, 389 (Bankr. S.D.N.Y. 2009), *aff’d*, No. 09 Civ. 2229 (DC), 2010 WL 234827, at *5 (S.D.N.Y. Jan. 22, 2010).

A. The Duplicative Claims

8. Bankruptcy Rule 3007(d) permits the filing of omnibus objections to claims on the basis that “they duplicate other claims.” Fed. R. Bankr. P. 3007(d)(1). The Wind-Down Debtors’ estates cannot be required to pay on the same claim more than once. *See, e.g., In re Finley, Kumble, Wagner, Heine, Underberg, Manley, Myerson, & Casey*, 160 B.R. 882, 892 (Bankr. S.D.N.Y. 1993) (“In bankruptcy, multiple recoveries for an identical injury are generally disallowed.”).

9. After reviewing the Books and Records and the relevant Disputed Claims, the Plan Administrator, with the assistance of his advisors, has determined that the Disputed Claims listed on **Schedule 1** (the “Same-Debtor Claims”) and **Schedule 2** (the “Cross-Debtor Claims”) and, together with the Same-Debtor Claims, the “Duplicative Claims”) are duplicative. The Same-Debtor Claims are duplicative because an identical claim was filed by or on behalf of the same Claimant against the same Debtor for a liability arising from identical bases. The Cross-Debtor Claims are duplicative because they assert the same liability arising from identical bases against multiple Debtors that can only be properly asserted against one Debtor. To ensure that the claims register is accurate and to avoid the possibility of multiple recoveries on account of the same liability, the Plan Administrator seeks entry of the Proposed Order disallowing and expunging the Duplicative Claims in their entirety.

B. The Superseded Claims

10. After reviewing the Books and Records and the relevant Disputed Claims, the Plan Administrator, with the assistance of his advisors, has determined that the Disputed Claims listed on **Schedule 3** (the “Superseded Claims”) have been amended and superseded by another proof of claim filed against the same Debtor, on account of a single liability. Because the

Claimant intended that the later-filed proof of claim amend and supersede the earlier filed proof(s) of claim, and because the Debtor may be held liable for this single liability at most once, the Superseded Claims must be disallowed and expunged. The Plan Administrator therefore seeks entry of the Proposed Order disallowing and expunging the Superseded Claims in their entirety.

C. The Misstated Amount Claims

11. After reviewing the Books and Records and the relevant Disputed Claims, the Plan Administrator, with the assistance of his advisors, has determined that the Disputed Claims listed on **Schedule 4** (the “Misstated Amount Claims”) assert amounts that do not match the Books and Records and were not substantiated by the Claimant. The Plan Administrator therefore seeks entry of the Proposed Order modifying each Misstated Amount Claim to match the amounts reflected in the Books and Records.

D. The USD Claims

12. After reviewing the Books and Records and the relevant Disputed Claims, the Plan Administrator, with the assistance of his advisors, has determined that the Disputed Claims listed on **Schedule 5** (the “USD Claims”) were asserted in U.S. Dollar amounts that do not match the Books and Records and, accordingly, assert amounts that are not actual liabilities of the Debtors. The Debtors’ customized proof of claim form listed all cryptocurrency available on the Debtors’ platform and allowed each account holder to list the amount of cryptocurrency held by the account holder. The relevant Claimants either ignored or misunderstood the instructions on the proof of claim form and may have converted their claims to U.S. Dollars as of an unspecified conversion date. The USD Claims do not match the Books and Records because the Debtors did not hold cash on behalf of account holders. The Plan Administrator therefore seeks entry of the

Proposed Order modifying the USD Claims to reflect the cryptocurrency balances that are reflected in the Books and Records.

E. The No Liability Claims

13. Bankruptcy Code section 502(b) states, in relevant part, that a claim may not be allowed to the extent that “such claim is unenforceable against the debtor and property of the debtor, under any agreement or applicable law.” 11 U.S.C. § 502(b)(1). After reviewing the Books and Records and the relevant Disputed Claims, the Plan Administrator, with the assistance of his advisors, has determined that the Disputed Claims listed on **Schedule 6** (the “No Liability Claims”) assert amounts that cannot be reconciled with the Books and Records and have been asserted by Claimants who do not have active existing accounts with the Debtors. Accordingly, the No Liability Claims assert amounts that are not actual liabilities of the Debtors. The Plan Administrator therefore seeks entry of the Proposed Order disallowing and expunging the No Liability Claims in their entirety.

F. The Incorrect Debtor Claims

14. Bankruptcy Rule 3007(d) permits the filing of omnibus objections to claims that “have been filed in the wrong case.” Fed. R. Bankr. P. 3007(d)(2). After reviewing the Books and Records and the relevant Disputed Claims, the Plan Administrator, with the assistance of his advisors, has determined that the Disputed Claims listed on **Schedule 7** (the “Incorrect Debtor Claims”) do not accurately reflect which Debtor entity may be liable for the underlying claim. Accordingly, the Debtor entity against which the Incorrect Debtor Claims are asserted should be modified from the Debtor identified in the column titled “Asserted” to the Debtor identified in the column titled “Corrected” as provided in **Schedule 7**. The “Corrected” column is consistent with the Books and Records and/or with the information provided by the Claimants. Failure to

modify the Incorrect Debtor Claims could result in the Claimants receiving either (i) a better recovery than other similarly situated creditors, even though such recovery is not warranted, or (ii) receiving a lesser recovery than they are otherwise entitled. The Plan Administrator therefore seeks entry of the Proposed Order modifying each Incorrect Debtor Claim so that it is filed against the “Corrected” Debtor.

15. In accordance with the Bankruptcy Rules and the Claims Objection Procedures Order, the Plan Administrator will serve an Objection Notice (as defined in the Objection Procedures) on each affected Claimant, informing the Claimant of the nature of the Objection, that their rights may be affected by the Objection, procedures for submitting a written response, the hearing date, and a description of how copies of the proofs of claim, the Objection, and other pleadings filed in the chapter 11 cases may be obtained.

RESERVATION OF RIGHTS

16. Nothing contained in the Objection or any actions taken pursuant to any order granting the relief requested by the Objection is intended or should be construed as (a) an admission as to the validity of any particular claim against the Wind-Down Debtors’ estates, (b) a waiver of the Plain Administrator’s rights to dispute any particular claim on any grounds, (c) a promise or requirement to pay any particular claim, (d) an implication or admission that any particular claim is of a type specified or defined in ethe Objection or any order granting the relief requested by the Objection, (e) a request or authorization to assume any agreement, contract, or lease pursuant to Bankruptcy Code section 365, (f) a waiver or limitation of the Plan Administrator’s rights under the Bankruptcy Code or any other applicable law, or (g) a concession by the Plan Administrator that any liens (contractual, common law, statutory, or otherwise) are valid.

NOTICE

17. The Plan Administrator will give notice of the Objection to the following parties and/or their respective counsel, as applicable: (a) the U.S. Trustee; (b) the Debtors; (c) the lender under the Debtors' prepetition loan facility; (d) the United States Attorney's Office for the Southern District of New York; (e) the Internal Revenue Service; (f) the United States Securities and Exchange Commission; (g) the Toronto Stock Exchange; (h) the attorneys general in the states where the Debtors conduct their business operations; (i) the holders of the Disputed Claims listed on Schedules 1-7 hereto, and (j) any party that has requested notice pursuant to Bankruptcy Rule 2002. In light of the requested relief's nature, the Plan Administrator submits that no other or further notice need be given.

NO PRIOR REQUEST

18. No prior request for the relief sought in the Objection has been made to this or any other court.

SEPARATE CONTESTED MATTER

19. To the extent that a response is filed regarding any Disputed Claim, the Disputed Claim and the Objection will constitute a separate contested matter as contemplated by Bankruptcy Rule 9014. Further, the Plan Administrator requests that any order entered by the Court regarding an objection or other reply asserted in response to this Objection be deemed a separate order with respect to each proof of claim.

PROCEDURES FOR FILING AND SERVING OMNIBUS CLAIMS OBJECTIONS

On February 23, 2023, the United States Bankruptcy Court for the Southern District of New York (the "Court") entered the *Order (I) Approving (A) Omnibus Claims Objection Procedures and (B) Omnibus Substantive Claims Objections and Form of Notice and (II) Waiving Bankruptcy Rule 3007(e)(6)* [Docket No. 1067] (the "Order") in the chapter 11 cases of the above-captioned debtors (collectively, the "Debtors"). Among other things, the Order approved these omnibus objection procedures.

Omnibus Objections

1. Grounds for Omnibus Objections. In addition to those grounds expressly set forth in Bankruptcy Rule 3007(d), the Plan Administrator may file omnibus objections (each, an "Omnibus Objection") to Claims, in whole or part, on the following grounds or grounds similar thereto:

- a. the Claims are inconsistent with the Debtors' books and records;
- b. the Account Holder Claim is asserted partially or fully in U.S. Dollars rather than cryptocurrency;
- c. the Claims fail to specify the amount or assert the amount as "unliquidated";
- d. the Claims fail to specify sufficiently the basis for the Claim or provide sufficient supporting documentation for such Claim;
- e. the Claims seek to recover amounts for which the Debtors are not liable;
- f. the Claims are classified incorrectly or improperly;

¹ The Wind-Down Debtors in these chapter 11 cases, along with the last four digits of each Wind-Down Debtor's federal tax identification number, are: Voyager Digital Holdings, Inc. (7687); Voyager Digital Ltd. (7224); and Voyager Digital, LLC (8013). The service address for purposes of these chapter 11 cases is 27777 Franklin, Suite 2500, Southfield, MI 48034.

² All capitalized terms used but not otherwise defined herein have the meanings given to them in the Order.

- g. the Claims are filed against non-Debtors, the wrong Debtor, or are filed against multiple Debtors, except to the extent permitted under the Bar Date Order;
 - h. the Claims are disallowed pursuant to section 502 of the Bankruptcy Code;
 - i. the Claim has been satisfied in full by a party that is not a Debtor;
 - j. one or more of the Debtors' insurers are obligated to satisfy the Claims; and
 - k. the claimant has withdrawn the Claim formally pursuant to either a pleading or the entry of a Court order.
- 2. Form of Omnibus Objection. Each Omnibus Objection will be numbered consecutively regardless of basis.
- 3. Supporting Documentation. To the extent appropriate, an affidavit or declaration may be provided in connection with an Omnibus Objection from a party with knowledge of the Debtors' books and records and the manner in which they are maintained that states that such party has reviewed the Claims included therein and applicable supporting information and documentation provided therewith, made reasonable efforts to research the Claim on the Debtors' books and records, and determined that the books and records do not reflect the debt or the amount of debt that is alleged in the Claim.
- 4. Claims Exhibits. An exhibit or exhibits listing the Claims that are subject to the particular Omnibus Objection will be attached thereto. Each exhibit will include only the Claims for which there is a common basis for the objection. Claims that have more than one basis for objection appear on only one exhibit with reference to all of the bases for objecting to the Claims. The Debtors' right to object to a Claim on an additional basis or bases will not be waived if such Claim has been included on an exhibit to either a previous or the same Omnibus Objection. The exhibits will include the following information and will be listed chronologically based on reference numbers or claim numbers, as applicable:
 - a. the Claims that are the subject of the Omnibus Objection and, if applicable, the Proof of Claim number(s) or schedule number(s) related thereto from the Claims Register;
 - b. the asserted amount of the Claim, if applicable;
 - c. the grounds for the Omnibus Objection;
 - d. a cross-reference to the section in the Omnibus Objection discussing such Claim; and
 - e. other information, as applicable, including (i) the proposed classification of Claims the Debtors seek to reclassify, (ii) the reduced Claim amount(s) of Claims the Debtors seek to reduce, or (iii) the surviving Claims, if any, of groups of Claims the Debtors seek to expunge.

5. Objection Notice. An objection notice, substantially in the form attached to the Order as Exhibit 2, will accompany each Omnibus Objection (the "Objection Notice") to address a particular creditor, Claim, or objection and will include the following:
 - a. a description of the basic nature of the Omnibus Objection;
 - b. information to claimants that their rights may be affected by the Omnibus Objection and that failure to file a response may result in the Omnibus Objection being granted as to the claimant's Claim;
 - c. procedures for filing a written response (each, a "Response") to the objection, including all relevant dates and deadlines related thereto;
 - d. the hearing date, if applicable, and related information; and
 - e. a description of how copies of Proofs of Claim, the Omnibus Objection, and other pleadings filed in the chapter 11 cases may be obtained.
6. Notice and Service. Each Omnibus Objection will be filed with the Court and served upon (a) the affected claimant party set forth on the Proof of Claim or their respective attorney of record, and (b) parties that have filed a request for service of papers under Bankruptcy Rule 2002.
7. Omnibus Hearings. Each Omnibus Objection shall be set for hearing no less than thirty (30) days after service of the Omnibus Objection (the "Hearing"). The Debtors may request at the Hearing that the Court enter an order granting the Omnibus Objection with respect to each Claim subject to the Omnibus Objection when either (a) no Response has been filed in accordance with the proposed response procedures with respect to the Claim(s) or (b) a Response has been filed in accordance with the proposed response procedures with respect to the Claim(s), but such Response has been resolved prior to the Hearing. If a Response to an objection to a Claim cannot be resolved and a hearing is determined to be necessary, the Debtors shall file with the Court and serve on the affected claimant(s) a notice of the hearing to the extent the Debtors did not file a notice of hearing previously. The Debtors may adjourn Hearings regarding Omnibus Objections to subsequent hearing dates without further order of the Court in the Debtors' sole discretion so long as notice is provided to the affected claimant(s).
8. Contested Matter. Each Claim subject to an Omnibus Objection along with any Responses thereto shall constitute a separate contested matter as contemplated in Bankruptcy Rule 9014, and any order that the Court may enter with respect to an Omnibus Objection will be deemed a separate order with respect to such Claim. The Debtors may, in their discretion and in accordance with other orders of this Court or the provisions of the Bankruptcy Code and the Bankruptcy Rules, settle the priority, amount, and validity of such contested Claims without any further notice to or action, order, or approval of the Court.

 - a. **Plan Administrator**. McDermott Will & Emery LLP, One Vanderbilt Avenue, New York, New York, 10017-3852, Attn: Darren Azman, Joseph B. Evans, Gregg Steinman, and Grayson Williams.
- 5. Discovery. If the Plan Administrator determines that discovery is necessary in advance of a hearing on an Omnibus Objection, the Plan Administrator will serve notice on the affected claimant and its counsel of record that the scheduled hearing will be treated as a status conference during which the parties will request that the Court issue a scheduling order to facilitate dismissal or resolution of the litigation. Such notice may be incorporated into the initial agenda letter for the hearing or may be provided in a separate notice. In accordance with Local Rule 9014-2, the first hearing on any contested Omnibus Objection with respect a particular Claim will not be an evidentiary hearing, and there is no need for any witnesses to appear at such hearing unless the Court orders otherwise in accordance with Local Rule 9014-2.
- 6. Failure to Respond. A Response that is not filed and served on or before the Response Deadline or such other date as agreed with the Debtors, in accordance with the procedures set forth herein, may not be considered at the Hearing before the Court. **Absent reaching an agreement with the Plan Administrator resolving the Omnibus Objection to a Claim, failure to both file and serve a Response timely as set forth herein may result in the Court granting the Omnibus Objection without further notice or hearing.** Affected creditors will be served with such order once it has been entered.
- 7. Reply to a Response. The Plan Administrator shall be permitted to file a reply or omnibus reply to any Response or multiple Responses, as applicable, no later than one (1) business day before the Hearing with respect to the relevant Omnibus Objection.
